ANSWER KEY FOR SCAVENGER HUNT

1. Damanhur is a living artistic, spiritual and alchemical community. It is the world's largest communal group. It was founded by Alberto "Falco" Airaudi. It was built underground in secrecy. Miles of solid rock were dug out to form ventilated corridors, majestic halls, thousands of carved statues, stained glass domes, mosaic floors, meditation areas and wall frescoes. Damanhur is located in the Italian Alps.
2. Answers will vary.
3. A sewing needle and a razor blade.
4. Answers will vary.
5. Some examples of answers include: He has a lion's leg. A small metal object was extracted from his brain and later concluded could have possibly originated in an alien laboratory. He lived and worked in an 18'x30' utility room. His first word at 6 months old was "Constantinople." He broke both of his legs falling off a ladder.
6. Hobart Brown
